

WINTER/SPRING 2024

OPEN STUDIO & PAINTING CLASSES

Instructed Open Studio *with David*

Start your Mondays with creativity, camaraderie, and calm. Work at your own pace, from your own reference, in any medium you choose. David will provide one on one guidance, help with problem solving and steer you towards success.

Instructed Painting (Oil & Acrylic) *with David*

Improve your artistic abilities in a positive environment alongside like-minded peers. From concept to completion, weekly demonstrations will deliver a streamlined approach to the painting process. All participants will work from the same reference images, which David will supply, and complete at least two finished works by the end of each session.

Art Club *with Chrissie and David* **NEW**

Improve your artistic skills through weekly practice while enjoying an evening of camaraderie and creativity! Combining the best of our previous Thursday Night classes, look forward to a variety of formats and subject matter. Some nights will involve fast and furious sketching while others will be slow and focused. Whether you are drawing or painting, we will work together from the same reference image(s), providing demonstrations, fundamental instruction and guidance that will help you improve your artistic abilities and confidence. We'll explore topics like techniques, mediums, experimentation, and time management. *Each week will be a new subject matter to explore! All references will be provided.

DRAWING CLASSES

Intermediate Drawing *with Chrissie*

Improve your ability to draw like a pro! This class will continue to develop your observational skills and help you achieve a higher level of accuracy and expression in your drawings. Expand your knowledge of structure, rendering and perspective through a variety of exercises and projects.

Winter Session I – 6 Classes *Two different class times offered

Wednesday, Jan 10 – Feb 14

10:00 am – 11:30 am **OR** 12:30 pm – 2:00 pm

\$96.00 *Includes group and additional individual online support and feedback.

Drawing Basics and Beyond *with Chrissie*

Increase your drawing knowledge and confidence! This class will focus on the fundamentals of drawing: VALUE, COMPOSITION, PERSPECTIVE and TEXTURE. Through a variety of exercises and projects, you will develop your observational skills and achieve a higher level of accuracy and expression in your drawings. For the experienced drawer, take your work to the next level by including additional details and advancing your rendering skills.

Winter Session I – 6 Classes

Wednesday, Jan 10 – Feb 14

5:30 pm – 7:00 pm

\$96.00 *Includes group and additional individual online support and feedback.

Drawing Portraits *with Chrissie* **NEW**

From the very young to older generations, from half body to just a headshot, take your portrait drawings to the next level! Using a variety of drawing media, learn how to create accurate and expressive portraits. You'll learn basic anatomical structure, facial muscles and proportion while also exploring angle, light, shadow, value, shapes, and edges. **This class requires previous drawing experience and knowledge of drawing fundamentals.*

Winter Session II – 6 Classes

Wednesday, Mar 13 – Apr 17

10:00 am – 11:30 am

\$96.00 *Includes group and additional individual online support and feedback.

Sketching Nature *with Chrissie*

Connect with nature and grow your appreciation for our natural world! This class will develop your observational skills and help you achieve accuracy, form and expression in your drawing. Through a variety of exercises and projects, you'll capture nature's beauty using value and mark-making techniques.

Winter Session II – 6 Classes

Wednesday, Mar 13 – Apr 17

12:30 pm – 2:00 pm

\$96.00 *Includes group and additional individual online support and feedback.

Drawing Explorations *with Chrissie*

This class will have you experimenting with a variety of drawing media and techniques. Focusing on the fundamentals of drawing will be first and foremost, but building confidence and knowledge of new ways to combine and use your drawing tools will have you creating beautiful works of art while growing your drawing skillset.

Winter Session II – 6 Classes

Wednesday, Mar 13 – Apr 17

5:30 pm – 7:00 pm

\$96.00 *Includes group and additional individual online support and feedback.

Drawing Florals and Botanicals *with Chrissie*

With spring in full swing, capture the beauty of the botanical world through the creation of unique works of art. This class will develop your observational skills and help you achieve accuracy in the form, colour and detail found in the natural world.

Spring Session – 6 Classes

Wednesday, May 22 – June 26

10:00 am – 11:30 am

\$96.00 *Includes group and additional individual online support and feedback.

Drawing Birds using Pen and Ink with Watercolour *with Chrissie* **NEW**

From local species to exotic birds, have fun learning the features that make these birds so unique. Learn how to create contrast and interest using a variety of mark-making techniques, varied line weight and values with pen and ink to capture the delicate feathers and textures of each bird. Learn basic colour mixing and watercolour techniques to bring your birds to life!

Spring Session – 6 Classes

Wednesday, May 22 – June 26

12:30 pm – 2:00 pm

\$96.00 *Includes group and additional individual online support and feedback.

Drawing Landscapes *with Chrissie*

From natural landscapes to urban landscapes, value, mark-making and expressive lines will be the foundation that brings your landscape drawings to life. Using a variety of drawing media such as charcoal, pen and ink, pastel and graphite, in exploratory ways, you'll create landscape drawings that evoke feelings of energy and atmosphere.

Spring Session – 6 Classes

Wednesday, May 22 – June 26

5:30 pm – 7:00 pm

\$96.00 *Includes group and additional individual online support and feedback.

WORKSHOPS

Pen and Ink with Watercolour Workshop *with Chrissie*

Using pen and ink techniques with watercolour create an exciting work of art with expressive linework and mark making. Learn how to create contrast and interest using varied line weights and values with pen and ink. This versatile drawing medium will come alive with the addition of bright watercolour washes and other exciting application techniques.
